# Memorandum

**Date:** May 15, 2012

**To:** Honorable Chairman Joe A. Martinez  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor

**Subject:** Lease Amendment for the Anchorage (NSP Expanded HOPE VI Area) located at 2320 N.W. 62 Street, Miami  
Property # 30-3115-000-0070

## **RECOMMENDATION**

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the County Mayor or the County Mayor's designee to negotiate an amendment to the Lease Agreement with Carlisle Development Group, LLC, which was subsequently assigned to Carlisle Group III, Ltd. (Carlisle), attached as Exhibit 1, for land located at 2320 N.W. 62 Street, Miami and authorize the County Mayor or County Mayor's designee to approve any changes that are necessary to expedite the expenditure of funds, including but not limited to adjusting the date for the Certificate of Occupancy and further authorizing the County Mayor or County Mayor's designee to amend the Neighborhood Stabilization Plan Funding (NSP) Agreement dated July 19, 2010 executed between the parties. The County Mayor or the County Mayor's designee is further authorized to approve substantial modifications to the project design in order to accommodate the changes set forth herein.

## **BACKGROUND**

On November 20, 2008, the Board, through Resolution R-1151-08, approved, among other things, the County's NSP Plan that includes the "neighborhood redevelopment of multifamily rental housing development on the Expanded HOPE VI Area" in the amount of \$5 million. Subsequent to Board approval of the NSP Plan, the County issued RFP No. 686 for this development and included this site. The sole proposer to RFP No. 686 was Carlisle Development Group, LLC. On July 29, 2010, the County entered into an Affordable Housing Funding Agreement with Carlisle Development Group, LLC (Funding Agreement).

PHCD staff has been working with Carlisle to ensure the affordable housing development meets the County's needs and the requirements of the funder, U.S. Department of Housing and Urban Development (HUD).

The original proposal from Carlisle was for the construction of 50 units. After a more in-depth investigation of the site, Carlisle determined that it was only large enough, based on current zoning, to accommodate 30 units. On November 15, 2011, the Board approved the lease between the County and Carlisle Development Group, LLC, for use and development of the Project (Lease) and approved the reduction in units from 40 to 30. Following execution of the lease, the developer determined that construction costs for the Project far exceeded earlier estimates. Because of the high per unit building costs associated with a small project that must comply with Davis Bacon and other federal requirements, the developer has represented that it is only able to construct 22 units for the \$5 million of NSP funds. Therefore, the developer has proposed phasing the project so that Phase 1 will consist of 22 units and Phase 2 will consist of 8 units. Together, Phase 1 and Phase 2 shall be referred to as the "Development" or the "Project".

***Amendments to the Lease***

It is recommended that the Lease be amended in the following manner, and that these changes, where applicable, additionally be incorporated by amendment into the Funding Agreement:

1. The lease currently requires completion of construction, certificate of occupancy and 51% leased occupancy of 30 units no later than March 9, 2013. This deadline will be amended to require Carlisle to expend the \$5 million of Neighborhood Stabilization (NSP) funds no later than March 7, 2013 in order to meet the NSP program's expenditure deadline. In order to meet the March 7, 2013 expenditure deadline and to provide for the timely draw-down of NSP funds, LESSEE (Carlisle Development Group, LLC) shall submit a final draw request package to the County no later than February 21, 2013.

2. The Project will be bifurcated into phases to enable Carlisle to obtain financing needed to complete all 30 units. Phase 1 will consist of 22 units – four (4) two-bedroom and eighteen (18) one-bedroom residential units – which will be completed with temporary certificate of occupancy no later than June 7, 2013, with at least 16 units occupied by income-qualified persons no later than September 30, 2013. The \$5 million of NSP funds will be expended developing Phase 1. Phase 2 will consist of 8 units – two (2) two-bedroom units and six (6) one-bedroom residential units – which will be completed with temporary certificate of occupancy and leased to income-qualified persons no later than December 31, 2016, subject to Carlisle obtaining financing needed to build Phase 2. The Lease, as amended, will allow Carlisle to sublease the portion of the Property upon which Phase 2 will be constructed to a related entity which will seek financing and will develop Phase 2.

3. All units – in Phase 1 and Phase 2 – shall be rented to households with incomes at or below 120 percent of area median income (AMI) with at least \$2.5 million (50 percent) the NSP funds for this Project having a direct benefit to residents that are at or below 50 percent of AMI. Former qualified Scott/Carver residents will have a right of first refusal. In addition, the developer is working with local organizations to arrange for the units to be leased to youth aging out of foster care.

4. The Lease will be amended to describe the Property and Project in two phases. Phase 2 will be built after Phase 1 is completed and will be constructed over the surface parking lot built for the tenants of Phase 1. During construction of Phase 2, regardless of what developer is constructing Phase 2, Carlisle will find and pay for an alternative parking site for the tenants of Phase 1. In order to ensure that Phase 2 is built, Carlisle will defer taking any developer's fee on Phase 1 or Phase 2 until Phase 2 is completed. Carlisle will give the County the entire developer's fee for Phase 1 and any developer's fee for Phase 2, and the County will place said fees in escrow pending completion of Phase 2, which means temporary certificate of occupancy. The County will disburse from the escrowed fee(s) the amount equal to the federal income tax liability imposed on Carlisle or its affiliated developer by virtue of the developer fee(s) in escrow. Carlisle shall be required to provide the County with evidence of such tax liability acceptable to the County, which may be in the form of a written statement from a certified independent accountant as to the amount of liability and its relation to the developer fee. The Mayor or Mayor's designee may accomplish this by an assignment or collateral assignment of the developer's fee, putting the developer's fee in escrow, giving the County a letter of credit in the amount of the developer's fee, or other mechanism to accomplish the purpose set forth herein.

5. The default provisions of the Lease will be bifurcated in accordance with the new phasing of the project. In the event that Carlisle defaults on the requirements of the Lease, as amended, as to Phase 1, including but not limited to completion, expenditure and lease-up terms and deadlines, the LEASE shall terminate and all improvements made to the entire Property shall become the property of the County at no cost. In the event that Carlisle defaults on the requirements of the Lease, as amended,

as to Phase 2, including but not limited to completion, expenditure and lease-up terms and deadlines, then the following shall occur: (a) the Lease shall terminate as to the portion of the Property upon which Phase 2 was designed to be built and the surface parking lot will be re-leased to Carlisle for use by the tenants of Phase 1 and Phase 2, or, in the alternative, air and development rights to the portion of the Property upon which Phase 2 was designed to be built, including parking, will be granted from Carlisle to the County so that the County could complete Phase 2 with another developer; (b) Carlisle shall take no developer's fee for Phase 1 or Phase 2 and shall give any developer's fee(s) to the County to be held in escrow under the terms described in Section 4, above; (c) Carlisle shall assign to the County 100% of Net Cash Flow from Phase 1, with Net Cash Flow defined as the amount equal to all income generated by the Development, whether from tenant rentals, concessionaire rentals, parking revenues, advertising or any other incoming revenue, LESS all project expenses, including but not limited to operating expenses of the Development, management fees, debt service and fees payable to lenders, and amounts deposited in reserve accounts. Net Cash Flow shall be determined annually on a calendar year basis and shall be paid in arrears for the preceding calendar year (or portion thereof) on the first day of March, in the first full calendar year following issuance of the certificate of occupancy for the Development, and continuing annually in arrears on the one-year anniversary of such date thereafter, for the duration of the term of this Lease.

6. Article 4.1.2 of the Lease is hereby deleted and replaced as follows: "A surface parking lot that will include such number of spaces as is required pursuant to the Approved Plans, defined herein (the "Surface Parking Lot"). The Residential Units, plus any related amenities, together with other improvements, fixtures, and structures and the Surface Parking Lot are hereby referred to as the "Development."

7. Article 17.1.2 of the Lease will be deleted and replaced as follows: "At least eight (8) Residential Units in Phase 1 are to be set aside for youth aging out of foster care, which units may be replaced by units in Phase 2. The LESSEE will work with a partner agency to identify these applicants."

8. Article 17.1.4 of the Lease is will be deleted and replaced as follows: "The above rentals will include services and amenities as required under Florida Finance Corporation's Multifamily Mortgage Revenue Bond program and the Housing Credit program administered by the Corporation in accordance with Section 42 of the Internal Revenue Code, including investors, syndicators, and compliance staff to each unit."

#### ***Amendments to the Funding Agreement***

Ordinarily the County retains a portion of the contract funding contingent upon the project receiving a certificate of occupancy. In this case, the County needs the developer to expend the full \$5 million of NSP funds by March 7, 2013, which may be before a certificate of occupancy is obtained. Therefore, it is recommended that the retainage requirement in the Funding Agreement be amended to allow the developer to expend the full \$5 million of NSP funds by the March 7, 2013 expenditure deadline. The retainage shall be released to the developer if the Mayor or Mayor's designee determines it is in the best interest of the County to do so, which may depend upon PHCD documenting through its own inspections that construction of Phase 1 is complete and Carlisle giving the County a letter of credit in the amount of \$500,000.

This LEASE is monitored by Internal Services Department (ISD) on behalf of the Public Housing and Community Development (PHCD) department.

4.1.1. Approximately thirty (30) affordable residential housing units: (six (6) two bedroom and twenty-four (24) one bedroom) (the "Residential Units"), all of which shall be rented to households with incomes at or below one hundred and twenty percent (120%) of Area Median Income (AMI) with at least two million, five hundred thousand (\$2,500,000) of the NSP funds for this project having a direct benefit to residents that are at or below fifty percent (50%) of AMI together with common areas and amenities appurtenant thereto, to be leased or provided to persons qualifying under the Neighborhood Stabilization Program (NSP) guidelines, including former qualified Scott/Carver residents having a right of first refusal, and

In that regard, LESSEE shall not do or suffer to be done in, on or upon the DEMISED PREMISES or as may affect the DEMISED PREMISES, any act which may result in damage or depreciation of value to the DEMISED PREMISES or any part thereof due to the release of waste or hazardous materials on the DEMISED PREMISES.

4.6. Notwithstanding the foregoing, the LESSEE agrees that if, for any reason, it cannot complete and occupy at least 51% of the contemplated thirty (30) unit Development by March 9, 2013, subject to Force Majeure, then this Lease shall terminate and all improvements built on the land shall immediately become the property of the County at no cost.

#### **ARTICLE V** **NEIGHBORHOOD STABILIZATION PROGRAM (NSP)**

5.1. Pursuant to Resolution R-1151-08, Miami-Dade County submitted a Neighborhood Stabilization Program (NSP) Substantial Amendment to its 2008 Action Plan previously submitted to U.S. Department of Housing and Urban Development (US HUD), which describes the proposed use of NSP funds in Miami-Dade County (the County) consistent with the Housing and Economic Recovery Act (Act) and NSP Notice. US HUD approved the NSP Substantial Amendment on January 12, 2009.

Title III of the Housing and Economic Recovery Act of 2008 (Act) established the NSP and authorized the appropriation of \$3.92 billion to assist state and local governments with the redevelopment of abandoned and foreclosed homes in an effort to stabilize communities.

Miami-Dade County has been allocated \$62,207,200 in HUD Neighborhood Stabilization Program funds. Pursuant to the County's NSP Substantial Amendment and Implementing Order 2-11, the NSP funding will be utilized for the following eligible activities:

"NSP funds under this activity will be directed toward the Expanded HOPE VI area, which is located in an area of greatest need in the Liberty City/Model City area and will produce 40 rental units for households at or below 120% of area median income. NSP funds in the amount of \$5 million will be used within the expanded HOPE VI footprint to develop approximately 40 units of multi-family housing, such as but not limited to youth transitioning out of the state foster care system."

5.2. LESSEE intends to build the Development with, among other sources, five million dollars (\$5,000,000) (the "NSP Funds") to be provided by the LESSOR in the form and under the terms and conditions provided for in the attached Neighborhood Stabilization Plan ("NSP") Funding Agreement (Exhibit B). The NSP Funds shall be disbursed to LESSEE in increments as construction proceeds, commensurate with the percentage of completion of the Development and on a pari passu basis when combined with all other funds available for each aspect of construction of the Development.

5.3. LESSEE understands that NSP funds are Federal funds and thus the LESSEE is subject to the Rules Regulations and Licensing Requirements found in Section 1.8 of the RFP No. 686. LESSEE agrees that a default in any of these rules and regulations which continues beyond applicable cure periods is a default under this Lease.

## **ARTICLE VI**

### **RENT LEASE PAYMENTS**

6.1. The annual base rent shall be equal to ninety percent (90%) of the net cash flow generated by the Development (the "Base Rent"). As used herein, "net cash flow" shall be the amount equal to all income generated by the Development, whether from tenant rentals, concessionaire rentals, parking revenues, advertising or any other incoming revenue, LESS all project expenses, including but not limited to operating expenses of the Development, management fees, developer fees, debt service and fees payable to lenders, and amounts deposited in reserve accounts. Net cash flow shall be determined annually on a calendar year basis, and Base Rent shall be paid in arrears for the preceding calendar year (or portion thereof) on the first day of March, in the first full calendar year following issuance of the certificate of occupancy for the Development, and continuing annually in arrears on the one-year anniversary of such date thereafter, for the duration of the term of this Lease. The Base Rent will be paid at the address specified for LESSOR or such other address as LESSOR may direct from time to time by written notice.

## **ARTICLE VII**

### **UTILITIES, INFRASTRUCTURE, TAXES AND ASSESSMENTS**

7.1. All utilities shall be placed in the name of the LESSEE, and the cost of all utilities, including the cost of any infrastructure installed in connection with any utilities pertaining to the DEMISED PREMISES, shall be paid by the LESSEE. LESSEE shall also install or cause to be installed, at its sole cost or expense, all necessary connections between the buildings constructed by it on the Demised Premises, and the water, sanitary and storm drain mains and mechanical and electrical conduits and other utilities, whether or not owned by LESSOR. LESSOR hereby grants to LESSEE the non-exclusive right to construct utility infrastructure and connection and to tie-in to existing infrastructure and utility connections serving the Demised Premises, as may be set forth in the Approved Plans. LESSEE shall pay the cost of all utilities provided to the DEMISED PREMISES.

7.2. The LESSEE shall have the obligation to pay all taxes and assessments levied upon or relative to the DEMISED PREMISES incurred subsequent to the Commencement Date, unless LESSEE is granted an exemption therefrom by appropriate government bodies. LESSEE's obligation to make any payments pursuant to this paragraph shall survive the expiration or early termination of this LEASE. Notwithstanding anything set forth in this Article VII to the contrary, LESSEE shall only be liable for the taxes and assessments levied against, upon or relative to the DEMISED PREMISES arising, accruing or assessed during the Term of this LEASE.

7.3. Any off-site improvements required to be performed, paid for or contributed to as a result of the construction of the Development shall be paid for by the LESSEE or third-parties other than the LESSOR.

## **ARTICLE VIII**

### **MAINTENANCE**

8.1. The LESSEE agrees to provide, at its sole cost and expense, all maintenance and repairs for the DEMISED PREMISES and the Development to be constructed thereon, both exterior and interior, required to keep the DEMISED PREMISES in a state of good repair, and in a safe and clean condition at all times, including but not limited to, the following (collectively the "Maintenance Expenses"):

- C. Maintenance of all operating equipment
- D. Maintenance of all plumbing and electrical lines and equipment
- E. Maintenance of all central air-conditioning and heating system equipment

- G. All exterior maintenance and repairs, including roof repairs
- H. Landscaping and lawn maintenance
- I. The removal of litter, trash and refuse
- J. Maintenance of parking areas and structures
- K. Maintenance of structures free of termites or any termite activity
- L. Maintenance of elevator(s).

8.2. If the LESSEE fails to maintain the DEMISED PREMISES and effect repairs, the LESSOR shall notify the LESSEE of the deficiency and LESSEE shall have a period of thirty (30) days to effect the repair; provided, however, if the repair cannot be effected within thirty (30) days, and the deficiency is not posing a threat to the safety or security of persons or property, LESSEE shall have such additional time as may be necessary to effect the cure, so long as it is commenced within said thirty (30) day time period and is diligently prosecuted. Failure of LESSOR to notify Lessee of the deficiency shall not relieve LESSEE of LESSEE's obligation to affect such repairs or maintain the DEMISED PREMISES. If the LESSEE fails to effect the cure of the deficiency as provided herein, LESSOR may, at its election, do so, and if LESSOR effects the repair, the LESSEE is responsible for payment for such repairs within thirty (30) days of presentation of an invoice. Failure to effect repairs as provided herein or promptly reimburse LESSOR shall constitute an event of default under this LEASE.

## **ARTICLE IX CONSTRUCTION**

9.1. It is hereby agreed that the DEMISED PREMISES shall be left in its natural state insofar as possible and that said lands shall be utilized only for the purposes as are outlined above. However, the LESSEE, at its own expense, shall make such improvements, as provided herein, upon said land as shall be reasonably necessary to place the DEMISED PREMISES in such state or condition that they may be used for the purposes for which this LEASE is made and entered into. Such improvements are to be at the sole cost and expense of the LESSEE. All phases of construction required pursuant to this LEASE shall be completed by March, 2013 unless a later date is approved in writing by the County Mayor or his designee.

### **9.2. Development Plans.**

9.2.1. PHCD Approval of Plans. In addition to the County's normal plan approval process, (a) no clearing or excavation of any portion of the DEMISED PREMISES shall be commenced and (b) no building, wall, structure or other improvement constituting the Development shall be commenced, erected or placed on any portion of the DEMISED

PREMISES, until the Plans (as defined below) for the Development have been approved in writing by the Public Housing and Community Development ("PHCD") as more particularly set forth in this Section 9.2. PHCD may at any time, and in PHCD's sole and absolute discretion, designate a different department or office to perform the functions under this section and shall give LESSEE notice of such change. Each building, wall, structure or other improvement constituting the Development shall be constructed by the LESSEE in substantial accordance with the Plans, all as approved by PHCD, in accordance with this Section 9.2 (the "Approved Plans"). The term "Plans" as used in this LEASE shall mean plans, drawings and outline specifications providing details as to: (i) the volume of all improvements to be constructed (including, without limitation, the height, setbacks, projecting elements, entries and access ways of all such improvements); (ii) roof-level design, (iii) elevations and facades of all improvements (including elements such as windows, spacing and size of fenestrations, balconies, canopies, cornices, moldings and ornamentation lines and exterior details); and (iv) exterior finishing materials, lighting plans and architectural treatment of machinery and equipment visible from the exterior of the Development. The Plans shall be substantially consistent with the LESSEE'S Proposal for the Leasehold, which was submitted in response to RFP 686, procured in accordance with Florida Statutes, the Miami-Dade County Code and the NSP Regulations (as defined in the Funding Agreement), and was the inducement for the selection of the LESSEE. PHCD shall not unreasonably withhold or delay its approval of the Plans. Under this Section 9.2, PHCD shall not be liable to the LESSEE or any third party as a result of its approval of any Plans; and the LESSEE shall indemnify and hold harmless PHCD, its officers, employees and agents from any and all claims arising out of or relating to PHCD's approval of the Plans.

9.2.2. Plan Approval Process. PHCD shall have a period of thirty (30) days after receipt of two (2) counterpart copies of the Plans to advise the LESSEE in writing of its approval or disapproval of the same. PHCD shall notify the LESSEE on or before the thirtieth (30<sup>th</sup>) day following receipt of the Plans of any disapproval of said Plans together with the specific reasons therefore and the steps necessary to correct the same. In the event of a disapproval of which the LESSEE is duly notified, the LESSEE shall, within thirty (30) days after the date it receives the notice of such disapproval, resubmit such Plans to PHCD altered to meet the grounds of disapproval. Any resubmission shall be subject to review and approval by PHCD pursuant to the Plan Approval Process (as defined below), until the same shall be finally approved by PHCD, provided, however, after resubmission of the Plans to PHCD, PHCD shall have a period of fifteen (15) days after receipt of the Plans to advise the LESSEE in writing of its approval or disapproval of the same. After approval of any particular Plans by PHCD, the approval as to those Plans may not be subsequently withdrawn or rejected (the preceding approval process is defined herein as the "Plan Approval Process"). No approvals by PHCD of any Plans pursuant to this Section 9.2.2 shall release the LESSEE of any obligation it may have at law to file the Plans with any appropriate department of the COUNTY or any other governmental authority having jurisdiction thereover, or to obtain any building or other permit or approval required by law, regulation or ordinance. All Plans as finally approved by PHCD shall be initialed by an authorized representative of PHCD and the LESSEE, and shall be and are incorporated into this LEASE by this reference, and such Plans shall be deemed conclusive evidence that PHCD has accepted such Plans as being in conformity with the requirements of this LEASE.

9.2.2.1 Construction Plans. Prior to the commencement of construction of the Development, the LESSEE shall submit to the LESSOR final detailed working plans and specifications, including, without limitation, foundation, structural, electrical and mechanical drawings and specifications as required by COUNTY Code. The final plans shall not be subject to the Plan Approval Process described above and are submitted as a courtesy to the LESSOR.

9.2.3. Notice of Commencement. LESSEE shall promptly provide a copy of the recorded Notice of Commencement to COUNTY.

9.2.4. Changes to Plans. The LESSEE shall not materially change or modify the Approved Plans without PHCD's prior written consent, which shall not be unreasonably withheld or delayed provided that the change is consistent with the approved Plans. Any such requested modification of the Approved Plans shall be submitted to PHCD for review in accordance with the Plan Approval Process, provided, however, that the time period for review shall be fifteen (15) days. The LESSOR agrees that it shall cause PHCD to approve any change which is in fact in substantial accordance with the approved Plans.

9.2.5. Conformity of Plans. All work by the LESSEE with respect to the Development shall be in substantial accordance with the Approved Plans, this LEASE and applicable governmental permits, laws, codes, ordinances and regulations.

9.2.6. Construction Contract(s). The LESSEE shall engage a general contractor having experience commensurate with the size and scope of the Development and the financial ability to perform their obligations to complete the Development. The LESSEE shall provide the COUNTY with a copy of the proposed construction contract for review. The COUNTY shall have the right to review the construction contract only to determine that the contract: (i) is fully one hundred percent (100%) bonded as to both payment and performance, naming the COUNTY as an additional obligee; (ii) is with a general contractor meeting the requirements of this Section 9.2.6; (iii) contains a definition of "completion" or "substantial completion" which is the same or more stringent than the definition of Substantial Completion set forth in Section 9.2.9 below; (iv) requires construction of the Development in substantial accordance with the Approved Plans; (v) requires completion of the Development by March 9, 2013 (vi) includes usual and customary liquidated damage clauses or incentives for timely completion; and (vii) includes a provision that neither the contractor thereunder, nor any subcontractor, shall lien the COUNTY's fee simple interest in that portion of the Demised Premises that is the subject matter of the contract; was procured in accordance with Florida Statutes, the Miami-Dade County Code, and the NSP Regulations (as defined in the Funding Agreement). If the COUNTY reasonably determines that the construction contract is not in accordance with the foregoing, then the COUNTY shall give notice of such to the LESSEE together with a written list of provisions in the construction contract which it determines do not comply with clauses (i) through (vii) above, and accordingly require modification, within thirty (30) days of submission to the COUNTY.

9.2.6.1 The LESSEE shall cooperate with the Miami-Dade County Department of Small Business Development ("SBD") to identify and establish appropriate Community Small Business Enterprise ("CSBE") measures including goals and local workforce goals under the Community Workforce Program Provisions ("CWP") for the construction trade and labor work associated with the construction when applicable.

9.2.6.2 LESSEE and the general contractor(s) retained hereunder shall use reasonable efforts to comply with all CSBE subcontractor and local workforce goals established by SBD and use reasonable efforts to comply with all other requirements of CSBE participation provisions and Community Workforce Program Provisions when applicable.

9.2.6.3 Any general contractor retained hereunder shall, and shall require all subcontractors to (i) use reasonable efforts to comply with all periodic monitoring and other compliance documentation required by SBD in connection with the CSBE Participation

provisions, the CWP and the Responsible Wages ordinance; (ii) grant to SBD all rights of access to records of the general contractor and subcontractors for monitoring and compliance with the foregoing; and (iii) comply with all enforcement actions and pay any sanctions imposed by SBD for failure to use reasonable efforts to comply with the foregoing as applicable. The foregoing requirements shall be included in the general contractor's construction contract and subcontractor bid package and subcontract when applicable.

9.2.6.4 Any general contractor retained hereunder shall have an affirmative action plan filed with and approved by the SBD which plan shall be in accordance with Miami-Dade County Ordinance No. 82-37 and shall be in effect for the entire term of its construction contract with the LESSEE.

9.2.7. COUNTY's Inspection. The LESSEE shall be responsible for inspecting the construction and work being performed by the general contractor to determine if said construction and work are being performed in substantial accordance with the Approved Plans. Monthly reports of their inspections shall be included within the Progress Reports (as defined below). The COUNTY shall have the right to inspect the Development from time to time to verify the LESSEE's reports. The LESSEE shall cooperate (and shall cause their general contractor(s) and any other contractors, subcontractors, employees and agents to cooperate) fully with all such inspections and examinations. In making the foregoing inspections, the COUNTY will take care so as not to interfere with the progress of construction of the Development.

9.2.8. Acknowledgement of Final Completion. Upon the "Substantial Completion" (as defined below) of the Development on any portion of the Demised Premises, the COUNTY shall furnish the LESSEE with an instrument acknowledging the completion of the Development and evidencing the COUNTY's acceptance of the Development (the "Acknowledgement of Final Completion"). For the purposes hereof, "Substantial Completion" or "Substantially Completed" shall mean such time as: (i) the Development has been completed in substantial accordance with the Approved Plans, except only for minor punch list items of detail and decoration; (ii) a temporary certificate of occupancy or unconditional certificate of occupancy (if required or applicable) has been issued by the appropriate governmental agency with respect to the Development; and (iii) the COUNTY has received a signed and sealed professional certification from an architectural or engineering firm reasonably acceptable to the COUNTY that the Development is completed in substantial accordance with the Approved Plans, except only for minor punch list items of detail and decoration. The Acknowledgement of Final Completion shall only be issued upon a determination by the COUNTY (which shall not be unreasonably withheld, delayed or conditioned) that the Development have been Substantially Completed, and upon COUNTY's receipt from the LESSEE of the following:

9.2.8.1 two (2) sets of as-built final Plans for the Development; and

9.2.8.2 a final affidavit and release of lien from the LESSEE's general contractor attesting to the receipt and payment of all obligations relating to construction and development of the Development and final releases of lien by all lienors, subject to final payment by the LESSEE under this Section 9.2.9.

9.2.8.3 If the COUNTY reasonably determines not to issue the Acknowledgement of Final Completion in accordance herewith, the COUNTY shall, within thirty (30) days after written request from the LESSEE, provide the LESSEE with a written statement indicating in what respects the LESSEE have failed to Substantially Complete the Development,

and what measures and acts, the COUNTY reasonably believes are necessary for the LESSEE to take or perform in order to obtain such Acknowledgement of Final Completion pursuant to this Section 9.2.9. The Issuance of the Acknowledgement of Final Completion shall be conclusive evidence of the full compliance by the LESSEE of all requirements of this LEASE as to the Development. After issuance of an Acknowledgement of Final Completion, such acknowledgement may not be revoked by the COUNTY.

9.2.9. Commencement and Progress of Construction. Subject to "Force Majeure" (as defined below) and the satisfaction of the conditions precedent set forth in this Lease, the LESSEE shall commence construction of the Development following the closing of its construction financing and tax credit syndication, and at all times thereafter proceed diligently to Substantial Completion in substantial accordance with Exhibit B, subject to Force Majeure. The LESSEE shall keep the COUNTY advised of the progress of the Development through monthly progress reports (the "Progress Reports") in form and substance reasonably agreed to by the COUNTY and the LESSEE, delivered to the COUNTY on or before the fifteenth (15th) of each month containing information for the immediately preceding month. In the scheduling of construction work on the Project Site, the LESSEE shall take reasonable steps to minimize interference with the normal traffic flow and operations of the County facilities, in and around the Project Site in a system and manner reasonably acceptable to the COUNTY. The LESSEE shall perform all work in a good and professional manner and consistent with and substantially in accordance with the Approved Plans.

9.2.10. Compliance with Laws. The Development will be constructed by the LESSEE in accordance with applicable statutes, laws, ordinances, rules, regulations, and orders, including, without limitation, those regarding the storage, use, removal, disposal, handling and transportation of Hazardous Substances (as defined below), provided that nothing herein shall limit the right of the LESSEE or contractor to contest the validity or enforceability of any such statute, law, ordinance, rule, regulation, or order with which the LESSEE may be required to comply. As used herein, the term "Hazardous Substances" mean any flammable explosives, radioactive materials, friable asbestos, electrical transformers, batteries and any paints, solvents, chemicals, or petroleum products, as well as any substance or material defined or designated as a hazardous or toxic waste material or substance, or other similar term by any federal, state, municipal or local environmental statute, regulation or ordinance presently or hereinafter in effect, as such statute, regulation or ordinance may be amended from time to time.

9.2.11. Section 3 of the HUD Act of 1968. In addition to the above, because this is at least a partially Federally funded project, the Lessee must comply with all the Rules; Regulations and Licensing Requirements of Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations in 24 Code of Federal Regulations (CFR) Part 135, as amended by interim rule published on June 30, 1994 (59FR33866). (See Exhibit B attached).

9.2.15 Davis-Bacon Act. LESSEE shall (a) comply with the Davis-Bacon Act; Copeland Anti-Kick Back Act; Contract Work Hours and Safety Standards Act; and Lead-Based Paint Poisoning Prevention Act as amended on September 15, 1999; and other related acts, as applicable; and (b) submit to HCD for written approval all proposed Solicitation Notices, Invitations for Bids, and Requests for Proposals prior to publication.

9.2.16 Force Majeure. "Force Majeure" shall be defined as any event or condition beyond the control of LESSEE or the COUNTY, including, without limitation, strikes,

labor disputes, acts of God (expressly including, but not limited to, tropical storms, hurricanes, earthquakes, and tsunamis), the elements, governmental restrictions, regulations or controls, enemy action, acts of terrorism, wars, riots, major upheaval, civil commotion, fire, casualty, or accidents, which causes delay.

#### **ARTICLE X** **CONSTRUCTION RELATED LIENS**

10.1. All persons, firms or corporations dealing with the LESSEE, if any, in respect to the furnishing of any labor, services or materials for any Development, are hereby placed on notice that no liens of any nature or character shall be imposed upon or enforced against LESSOR'S fee interest in the DEMISED PREMISES or Development, but the leasehold interest of the LESSEE in the DEMISED PREMISES only shall be relief for payment of the cost of such Development. The LESSEE shall include language to the effect of the foregoing sentence in all its agreements, if any.

10.2. The LESSOR shall have no liability or obligation to the LESSEE's contractors, subcontractors, and materialmen performing work on or supplying materials for construction of the Development. The LESSEE warrants that no construction liens will be placed against the LESSOR's fee interest in the DEMISED PREMISES. Construction liens placed against the Development shall be transferred to bond or released within sixty (60) days following the recording thereof. The LESSEE shall immediately pay any and all judgment decrees rendered against the LESSEE, following the conclusion of such legal processes (including all available appeals), with all proper costs and charges, and shall cause any such liens to be released of record without cost to the LESSOR.

#### **ARTICLE XI** **TITLE TO DEVELOPMENT**

11.1. Prior to the expiration, termination, or cancellation of this LEASE, title to the Development and all assets and personal property incorporated into the Development shall be vested in the LESSEE. However, the LESSEE agrees that it will not resell, lease, mortgage, encumber or otherwise dispose of any part of the Development except in accordance with this LEASE. Upon expiration, termination, or cancellation of this LEASE, title to the Development and all assets and personal property incorporated into the Development, other than personal property which is not permanently affixed to the DEMISED PREMISES, shall thereafter be vested in the LESSOR without payment by the LESSOR to the LESSEE.

11.2. Notwithstanding anything contained herein to the contrary, any provision in this Article restricting or prohibiting the sale, leasing, or encumbrance of the Demised Premises (including the Development) shall not prohibit LESSEE from: (i) entering into the Leasehold Mortgages authorized by this LEASE (and any associated regulatory agreements or other restrictive covenants required by such Leasehold Mortgages), (ii) leasing the Residential Units, or (iii) entering into any extended low income housing agreement as may be required by the Florida Housing Finance Corporation in connection with the award of tax credits for the construction of the Development.

#### **ARTICLE XII** **DESTRUCTION OF PREMISES; CONDEMNATION**

12.1. LESSEE shall give prompt written notice to LESSOR after the occurrence of any fire, earthquake, act of God or other casualty to the Development or any portion thereof. Subject to Section 12.2 below, if during the Term, less than fifty percent (50%) of the value of the Development is damaged or destroyed by casualty, LESSEE shall repair or restore the Development, so long as it is lawful to do so and there are adequate insurance proceeds available to LESSEE for that purpose. In the event that fifty percent (50%) or more of the value of the Development is damaged or destroyed, and LESSEE shall determine that it is not economically practical to restore the Development to substantially the same condition in which it existed prior to the occurrence of such casualty, then LESSEE may, at its election, terminate this LEASE as of a date that is not less than thirty (30) days after the date of such notice. If LESSEE terminates this Lease pursuant to this Section, LESSEE shall surrender possession of the DEMISED PREMISES to LESSOR upon termination and assign to LESSOR all of its right, title and interest in and to the proceeds from LESSEE's insurance and the proceeds of any insurance shall be disbursed as provided in Section 12.2 below.

12.2. In the event that this LEASE is terminated pursuant to Section 12.1 above, the insurance proceeds received as the result of such casualty shall be distributed as follows: (a) first, to the holders of the Leasehold Mortgages in their order of priority to the extent of any indebtedness then owed to the Leasehold Mortgagees, (b) second, LESSOR shall be paid an amount sufficient to remove any improvements not repaired and to return the DEMISED PREMISES to the level of the adjacent streets, (c) third, LESSEE shall be paid an amount equal to the then unamortized costs of construction of the Development (including any alterations or modifications thereto) and (d) the balance, if any, of such insurance proceeds shall be assigned or paid over to LESSOR.

12.3. If, by exercise of the right of eminent domain or by conveyance made in response to the threat of the exercise of such right (in either case a "Taking"), all of the DEMISED PREMISES are taken, or if so much of the DEMISED PREMISES are taken that the DEMISED PREMISES cannot reasonably be used by LESSEE for the purposes for which they were used immediately before the Taking, then this LEASE shall, subject to the requirements of the Leasehold Mortgages, at LESSEE's sole option, terminate on the earlier of the vesting of title to the DEMISED PREMISES in the condemning authority, or the taking of possession of the DEMISED PREMISES by the condemning authority; LESSEE may not elect to terminate this LEASE without the prior written consent of all Leasehold Mortgagees and Investor Limited Partner, as defined below.

12.3.1. LESSOR and LESSEE agree that, in the event of a Taking that does not result in the termination of this LEASE pursuant to this Article, this LEASE shall continue in effect as to the remainder of the DEMISED PREMISES, and the net amounts owed or paid to the Parties or to which either of the Parties may be or become entitled by reason of any Taking or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any reasonable, unreimbursed costs and expenses incurred by the Parties in collecting such award or payment (the "Net Condemnation Award"), will be disbursed under applicable laws and regulations, and to the extent permitted by the foregoing, in accordance with subsection 12.3.3 below to LESSEE and/or any Leasehold Mortgagees, if the terms of the Leasehold Mortgage so require. Such Net Condemnation Award shall be used so as to make the Demised Premises and Development, including any necessary construction, complete, unified and efficient, as nearly as reasonably possible to the condition existing prior to the Taking, subject to any applicable requirements of any Leasehold Mortgage.

12.3.2 If there shall be a temporary Taking with respect to all or any part of the DEMISED PREMISES or of LESSEE's interest in this LEASE, then the term shall not be reduced and LESSEE shall continue to pay in full all rents, impositions and other charges required herein, without reduction or abatement thereof at the times herein specified; provided, however, that LESSEE shall not be required to perform such obligations that LESSEE is prevented from performing by reason of such temporary Taking.

12.3.3. If there is a Taking, whether whole or partial, LESSOR and LESSEE shall be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to their respective interests in any condemnation proceedings, or as may be otherwise agreed. If the DEMISED PREMISES shall be restored as is contemplated in subsection 12.3.1 above, LESSEE shall be entitled to recover the reasonable costs and expenses incurred in such restoration out of any Net Condemnation Award, as determined by such award. Thereafter, if the condemning authority does not make separate awards, the parties agree that any Net Condemnation Award will be allocated between them on a proportionate basis, taking into account factors including the value of the land, the value of the Development and the remaining term of this LEASE. If the parties are unable to agree as to the exact percentage of such allocation and the parties are unable to agree as to amounts that are to be allocated to the respective interests of each party, then each party shall select an independent M.A.I. real estate appraiser (an "Appraiser"). Each Appraiser shall separately determine the amount of the balance of the Net Condemnation Award that is to be allocated to each party. If the percentage allocated to LESSOR by one Appraiser is within ten percent (10%) of the percentage allocated to LESSOR by the other Appraiser, then the two percentage allocations shall be averaged and such average percentage shall be the percentage to be allocated to LESSOR, with the remaining percentage of the balance of the Net Condemnation Award to be allocated to LESSEE. If the percentage allocated to LESSOR by one Appraiser is not within ten percent (10%) of that allocated to LESSOR by the other Appraiser, then the two Appraisers shall select a third Appraiser, who shall independently determine the percentage of the balance of the Net Condemnation Award that should be allocated to each party; and the average of the percentages determined by the three Appraisers to be allocable to LESSOR shall be the percentage that is allocated to LESSOR, and the remaining percentage of the balance of the Net Condemnation Award shall be allocated to LESSEE. If necessary to engage a third Appraiser, such Appraiser shall be engaged jointly by LESSEE and LESSOR. The costs of all Appraisers engaged under this Section 12.3.3 shall, in the aggregate, be split equally by LESSEE and LESSOR. Nothing herein prohibits any party from seeking the determination of a court of competent jurisdiction as to the value of each party's interest in the Demised Premises.

12.3.4. If any Leasehold Mortgage exists, the Leasehold Mortgagee(s), to the extent permitted by law, shall be made a party to any Taking proceeding.

### ARTICLE XIII ASSIGNMENT; SUBLEASE

13.1. The LESSEE shall not assign or transfer its interest in this LEASE without the prior written approval of the LESSOR. Notwithstanding the foregoing and provided that the Lessee is not in default, the Lessee may at any time assign all of its rights and interest in this LEASE to Carlisle Group III, Ltd., which is an affiliate of the Tenant, without further approval from the Lessor.

13.2. Any assignee or sublessee will agree to operate the Development, in accordance with the provisions and subject to the requirements of this LEASE.

**ARTICLE XIV**  
**PUBLICITY; SIGNS**

14.1. LESSOR AND LESSEE acknowledge that the LESSEE has received a commitment for funding by the LESSOR for construction of the Development. Further, the Lessee agrees that all publicity pertaining to the Development shall recognize the County as a funding source and that the LESSEE shall ensure that all advertisements and signs recognize the County's support of the Development. This is to include, but is not limited to, all posted signs, pamphlets, wall plaques, cornerstones, dedications, notices, flyers, brochures, news releases, media packages, promotions, and stationery. The use of the official County logo is permissible. The LESSEE shall ensure that all media representatives, when inquiring about the Development, are informed that the County is a funding source. The LESSEE shall notify the LESSOR of all events and activities involving publicity for the Development ten (10) days prior to the activity or event.

When the LESSEE obtains the building permit for the Development, the LESSOR must be notified in order to request a sign from Miami-Dade County General Services Administration (GSA), which shall identify the County as a funding source. Within thirty (30) days of the erection of the sign, the LESSOR will submit an invoice to the LESSEE for payment of the sign cost, which shall not exceed \$750. The LESSEE is responsible for all costs for replacing any lost, defaced or missing sign. The sign shall remain on the Demised Premises at least ninety (90) days after the issuance of the Certificate of Occupancy (CO) or Certificate of Completion (CC).

14.2. Other signs identifying the Development or events pertaining thereto will be designed by LESSEE in its discretion, and shall be installed and maintained in accordance with all applicable laws, codes and regulations.

**ARTICLE XV**  
**NO LIABILITY**

15.1. All personal property placed or moved onto the DEMISED PREMISES shall be at the risk of the LESSEE or the owner thereof. The LESSOR shall not be liable to the LESSEE for any damage to said personal property unless caused by or due to the negligence of the LESSOR, the LESSOR's agents or employees, subject to all limitations of Section 768.28, Florida Statutes.

**ARTICLE XVI**  
**LESSOR'S RIGHT OF ENTRY**

16.1. The LESSOR or any of its agents, shall have the right to enter onto the DEMISED PREMISES during all reasonable working hours, to examine the same or to make such additions, inspections, or alterations as may be deemed necessary for the safety, comfort, or preservation thereof of the DEMISED PREMISES and to determine if the DEMISED PREMISES are being maintained in good condition, provided that to do so shall not unreasonably interfere with LESSEE's activities and shall not have access to the interior of the Residential Units. Such periodic inspections may also be made to determine whether the LESSEE is operating the DEMISED PREMISES in compliance with the terms and provisions of this LEASE including but not limited to the affordability restrictions of the NSP program.

**ARTICLE XVII**  
**RENTS AND OCCUPANCY RESTRICTIONS**

17.1 LESSEE agrees with respect to the DEMISED PREMISES for the period beginning on the Effective Date and ending on the last day of the thirtieth (30th) year after the year in which the Project is completed, that:

17.1.1 All of the Residential Units must have rents which are equal to or less than 30% of annual incomes for households up to one hundred twenty percent (120%) of median income (AMI) adjusted for family size, however, at least half of the funds for this project must have a direct benefit to residents that are at or below 50% of AMI, minus tenant-paid utilities. Accordingly, the maximum initial approved rental rates for the DEMISED PREMISES are indicated in Exhibit D attached hereto. In the case of Section 8 units, the HUD approved contract rent is allowed.

17.1.2. At least six (6) Residential Units and up to ten (10) Residential Units are to be set aside for youth aging out of foster care. The LESSEE will work with a partner agency to identify these applicants.

17.1.3 The subject matter of this LEASE and the covenants set forth herein touch and concern the DEMISED PREMISES. It is the intent of the parties that this LEASE and the covenants set forth herein run with the DEMISED PREMISES. This LEASE shall be binding on the DEMISED PREMISES, the Project, and all portions thereof, and upon any purchaser, grantee, transferee, owner or lessee or any portion thereof, and on the heirs, executors, administrators, devisees, successors and assigns of any purchaser, grantee, owner or lessee and on any other person or entity having any right, title or interest in the DEMISED PREMISES, the Project, or any portion thereof, for the length of time that this LEASE shall be in force. LESSEE hereby makes and declares these restrictive covenants which shall run with the title to said DEMISED PREMISES and be binding on the LESSEE and its successors in interest, if any, for the period stated in the preamble above, without regard to payment or satisfaction of any debt owed by LESSEE to the County or the expiration of any Contract between the LESSEE and the County.

17.1.4 The above rentals will include the following services to each unit:

Community Room  
Ceiling Fans

Granite Counter Tops  
Under Mount Sink  
Water Filter  
Hooded Microwave  
Wood Cabinets  
Elongated Dual Flush Toilets  
All Rooms Wired for Phone/Internet/Cable  
Porcelain Tiles 18x18

17.1.5 LESSEE further agrees that it will, during the term of this LEASE, (a) furnish each resident at the time of initial occupancy, a written notice that the rents to be charged for the purposes and services included in the rents are approved by the County pursuant to this LEASE, (b) maintain a file copy of such notice with a signed acknowledgment of receipt by each resident, and (c) make such notices available for inspection by the County during regular business hours.

17.1.6 LESSEE agrees that each Residential Unit shall meet the energy efficiency standards promulgated by the Secretary of the United States Department of Housing and Urban Development (hereafter "HUD"), the Florida Housing Finance Corporation (hereafter "FHFC"), and/or Miami-Dade County, as applicable.

17.2. LESSOR and LESSEE agree that rents may increase as median income increases as published by HUD. Any other adjustments to rents will be made only if LESSOR (and HUD if applicable), in their sole and absolute discretion, find any adjustments necessary to support the continued financial viability of the project and only by an amount that LESSOR (and HUD if applicable) determine is necessary to maintain continued financial viability of the project. LESSEE will provide documentation to justify a rental increase request not attributable to increases in median income. Within thirty (30) days of receipt of such documentation, LESSOR will approve or deny, as the case may be, in its sole and absolute discretion, all or a portion of the rental increase in excess of the amount that is directly proportional to the most recent increase in Median Annual Income. In no event, however, will any increase directly proportional to an increase in Median Annual Income be denied.

17.3 Except as otherwise noted, all parties expressly acknowledge that PHCD shall perform all actions required to be taken by the County pursuant hereto for the purpose of monitoring and implementing all the actions required under this LEASE. In addition, thirty (30) days prior to the effective date of any rental increase, the LESSEE shall furnish PHCD with notification provided to tenants advising them of the increase.

17.4 The LESSEE shall, on an annual basis, furnish PHCD with an occupancy report, which provides the following information:

17.4.1 List of all occupied apartments, indicating composition of each resident family, as of the end date of the reporting period. Composition includes, but is not limited to:

1. Number of residents per units.
2. Area median Income (AMI) per unit.
3. Race, Ethnicity and age per unit (Head of Household).

4. Number of units serving special need clients, including youth aging out of foster care.
5. Gross Household Rent
6. Maximum rent per unit.

17.4.2 A list of all vacant apartments, as of the end date of the reporting period.

17.4.3 The total number of vacancies that occurred during the reporting period.

17.4.4 The total number of units that were re-rented during the reporting period, stating family size and income.

17.4.5 The LESSEE shall upon written request of PHCD allow representatives of PHCD to review and copy any and all of its executed leases with tenant residing on the DEMISED PREMISES.

17.5 Pursuant to 42 U.S.C. § 12755, the LESSEE shall maintain the Property in compliance with all applicable federal housing quality standards, receipt of which is acknowledged by the LESSEE, and contained in Sec. 17-1, et seq., Code of Miami-Dade County, pertaining to minimum housing standards (collectively, "Housing Standards").

17.5.1 PHCD shall annually inspect the Development, including all common areas, to determine if the Property is being maintained in compliance with federal Housing Quality Standards and any applicable Dade County Minimum Housing Codes. Inspection of Residential Units may only be made following receipt of written approval from the tenants residing in such units. The LESSEE will be furnished a copy of the results of the inspection within thirty (30) days, and will be given thirty (30) days from receipt to correct any deficiencies or violations of the property standards of the Dade County Minimum Housing Codes or Housing Standards, or such longer time as may be applicable under said property standards.

#### 17.7. Financial Reports

17.7.1 Annually, the LESSEE shall transmit to the County a certified annual operating statement showing project income, expenses, assets, liabilities, contracts, mortgage payments and deposits to any required reserve accounts (the "Operating Statement"). PHCD will review the Operating statement to insure conformance with all provisions contained in this LEASE.

The LESSOR shall give to the LESSEE reasonable notice of any such claims or actions. The provisions of this Article shall survive the expiration or early termination of this LEASE.

## **ARTICLE XXI SUCCESSORS IN INTEREST**

21.1. At the option of the LESSOR, the occurrence of any of the following events shall constitute an Event of Default by LESSEE following the giving of notice and the expiration of a cure period equal to thirty (30) days after written notice by LESSOR to LESSEE; provided, however, if the LESSOR determines that the nature of the breach is such that it cannot be cured by LESSEE within the period of thirty (30) days, the LESSOR shall not declare the LESSEE to be in default of this LEASE, as long as LESSEE has commenced the curing of such default within such thirty (30) day period and prosecutes in good faith, as reasonably determined by the LESSOR, the curing of same continuously thereafter until the same is, in fact, cured.

22.2.1. Failure of the LESSEE to operate the DEMISED PREMISES substantially in accordance with its approved uses; material non-performance of any covenant of this LEASE by the LESSEE, including a failure to rent all of the residential units to households with income

#### ARTICLE XXX INTENTIONALLY OMITTED

#### ARTICLE XXXI LEASEHOLD FINANCING

31.1. Right to Mortgage. LESSEE shall have the right to grant such mortgages of interests in this LEASE as may be contemplated by any lender (each a "Leasehold Mortgage" and collectively, the "Leasehold Mortgages") and, in connection therewith, to collaterally assign this LEASE to such lenders; provided, however, that in no event shall LESSOR ever be required to execute any such mortgage (except to the extent required to acknowledge that the estate pledged by LESSEE to such Leasehold Mortgagee is a leasehold estate and includes all improvements comprising the Development), or any note secured thereby or any other obligation securing any such note, or to subordinate LESSOR'S fee interest in the DEMISED PREMISES or any portion thereof to the lien of any such mortgage. LESSEE shall deliver to LESSOR a written notification containing the name of the mortgagee (holder of each Leasehold Mortgage (each, a "Leasehold Mortgagee" and collectively the "Leasehold Mortgagees") and the address(es) to which notices to the Leasehold Mortgagees are to be sent, within five (5) business days after LESSEE'S grant of a Leasehold Mortgage. Notwithstanding any provision in this LEASE to the contrary, there shall be no subordination of the LESSOR'S fee simple interest in the Demised Premises to the lien of any Leasehold Mortgagee of the LESSEE or its assigns, nor shall the COUNTY be required to join in such mortgage financing. No Leasehold Mortgagee may impose any lien upon the LESSOR'S fee simple interest in the DEMISED PREMISES.

31.2. LESSOR As First Mortgagee: The LESSOR, for having loaned \$5,000,000 to this project, shall have the First Mortgage position on the Property for as long as it has this loan outstanding and will not subordinate this position to any other loan for this project without the

prior written consent of the Mayor or Mayor's designee unless the LESSEE arranges for a separate construction loan in which case, until the construction loan is repaid, the LESSOR will move to second position.

31.3. Consent Required for Cancellation, Surrender and Amendment. A cancellation, surrender or modification of this LEASE by agreement between LESSOR and LESSEE shall be effective as to all Leasehold Mortgagees, if consented to in writing by all Leasehold Mortgagees, and the Investor Limited Partner. Notice of any such consent by each Leasehold Mortgagee shall be delivered to the LESSOR pursuant to the provisions of Article XXIV.

31.4. Default Notice. LESSOR, upon providing LESSEE with any notice of: (i) default or a potential or threatened default under this LEASE, or (ii) termination of this LEASE, shall at the same time provide a copy of such notice to Investor Limited Partner and to every Leasehold Mortgagee of whom it has knowledge pursuant to notice from LESSEE provided in accordance with this Article. No such notice by LESSOR to LESSEE shall be deemed to have been duly given unless and until a copy thereof has been so provided to Investor Limited Partner and to every Leasehold Mortgagee in the manner required or as specified in Article XXIV. From and after the date such notice has been given to Investor Limited Partners and/or a Leasehold Mortgagee, such Leasehold Mortgagee shall have the same period, after the giving of such notice upon it, for remedying any default or causing the same to be remedied, as is given LESSEE, after giving of such notice to LESSEE, plus, in each instance, the additional periods of time specified in paragraphs 31.4, 31.5 and 31.6 of this Article XXXI. Lessor shall accept such payment or performance by or at the instigation of Investor Limited Partner or such Leasehold Mortgagee, as if the same had been done by LESSEE. LESSEE authorizes Investor Limited Partner and any and each Leasehold Mortgagee to take any such action at the Investor Limited Partner's or such Leasehold Mortgagee's option and does hereby authorize entry upon the DEMISED PREMISES by the Investor Limited Partner and/or any Leasehold Mortgagee for such purpose.

31.5. Notice to Leasehold Mortgagee and Investor Limited Partner. Anything contained in this LEASE to the contrary notwithstanding, if any default shall occur which entitles LESSOR to terminate this LEASE, LESSOR shall have no right to terminate this LEASE unless, following the expiration of the period of time given LESSEE to cure such default, LESSOR shall notify every Leasehold Mortgagee and Investor Limited Partner, of LESSOR's intent to so terminate, at least ninety (90) days in advance of the proposed effective date of such termination (the "Mortgagee Cure Period"). The provisions of paragraph 31.5 of this Article XXXI shall apply if, during such Mortgagee Cure Period, any Leasehold Mortgagee or Investor Limited Partner:

31.5.1. notifies LESSOR of such Leasehold Mortgagee's or Investor Limited Partner's desire to cure the default described in such notice; and

31.5.2. pays or causes to be paid all Base Rent and other payments then due and in arrears as specified in the notice given to such Leasehold Mortgagees and Investor Limited Partner and which may become due during such Mortgagee Cure Period; and

31.5.3. complies or in good faith, with diligent efforts, commences to comply with all non-monetary requirements (i.e., all obligations other than the payment of Base rent and other amounts due LESSOR under this LEASE) of this LEASE then in default and reasonably susceptible of being complied with by such Leasehold Mortgagee or Investor Limited Partner; provided, however, nothing herein shall excuse the Leasehold Mortgagee or its successors from using the Development for the purposes required by this Lease.

31.6. Procedure on Default. If LESSOR shall elect to terminate this LEASE by reason of any default of LESSEE, and a Leasehold Mortgagee or Investor Limited Partner shall have proceeded in the manner provided for by paragraph 31.4 of this Article XXXI, LESSOR will enter into a new lease for the DEMISED PREMISES with such Leasehold Mortgagee or Investor Limited Partner, for the remainder of the term, effective as of the date of such termination, at the same Base Rent and subject to the same covenants and agreements, terms, provisions and limitations herein contained, provided that: (i) The Leasehold Mortgagee has provided adequate proof that it has commenced funding the Development, and (ii) LESSOR receives the Leasehold Mortgagee's written request for such new lease within the Mortgagee Cure Period and such written request is accompanied by payment to LESSOR of all amounts then due and owing to LESSOR under this LEASE, as well as interest accumulated thereon, and such non-monetary defects have been cured or are being cured in a diligent manner that is satisfactory to LESSOR, and (iii) within ten (10) days after the delivery of an accounting therefore by LESSOR, such Leasehold Mortgagee or Investor Limited Partner pays any and all costs and expenses, including reasonable counsel fees, court costs and disbursements made by LESSOR in connection with any such default and termination as well as in connection with the execution and delivery of the new lease, less the net income collected by LESSOR from the DEMISED PREMISES subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Base Rent thereafter becoming due under the new lease.

31.7. Extension of Cure Period. If, within the Mortgagee Cure Period, more than one request for a new lease shall have been received by LESSOR for the DEMISED PREMISES, priority shall be given (regardless of the order in which such request shall be made or received) to the Investor Limited Partner and then to any Leasehold Mortgagee making such a request in order of their priority of interest in said DEMISED PREMISES. Simultaneously with the making of such new lease, the party obtaining such new lease and all other parties junior in priority of interest in the DEMISED PREMISES shall execute, acknowledge and deliver such new instruments, including a new mortgage, and shall make such payments and adjustments among themselves as shall be necessary and proper for the purpose of restoring to each of such parties as nearly and reasonably possible, the respective interest and status with respect to the DEMISED PREMISES which was possessed by the respective parties prior to the termination of this LEASE.
